ITCCS PUBLIC NOTICE/ PUBLIC RECORD  
 GREAT BRITAIN IS DISSOLVED

ITCCS Public Notice: Great Britain is Dissolved  
 Thursday, March 7, 2013

A Legal Notice to all Agents of the so-called Crown of England and Elizabeth Windsor, and to all British men and women

Issued by the Governing Council of The International Tribunal into Crimes of Church and State

This PUBLIC NOTICE is issued to the Members of the Parliament of Great Britain, the British judiciary, the governmental civil service, and the active serving members of all British police and military forces, as well as to all citizens of Britain:

1. On February 25, 2013, a lawfully constituted Common Law Court of Justice found Elizabeth Windsor, Queen of England and Head of State of Great Britain and its Church of England, guilty as charged of Crimes against Humanity in Canada and of engaging in a Criminal Conspiracy to conceal Genocide. The same verdict found Canadian Prime Minister Stephen Harper guilty of the same offenses.

2. This verdict was based on irrefutable evidence, including eyewitness accounts of Elizabeth Windsor's personal involvement in the forcible abduction and disappearance of ten children from the Kamloops Indian Residential School on October 10, 1964, while on a state visit to Canada. Ms. Windsor has never denied or refuted this charge or evidence, nor did she respond to a Public Summons issued by the Court.

3. The Court's verdict rests upon the Nuremberg Legal Statutes of 1950 which allow any head of state to be tried for Crimes against Humanity, as well as the right under Canadian law to hold the Crown liable for tort offenses committed in Canada.

4. Elizabeth Windsor therefore stands condemned as a convicted felon. As a fugitive from justice, she is now liable for arrest and imprisonment under the terms of the Court verdict. A Citizens Arrest Warrant for the detention of Elizabeth Windsor was in fact issued by the Court on March 5, 2013, and Ms. Windsor has evaded this Warrant.

5. a) Each of you has taken a public oath of allegiance to Elizabeth Windsor as the Queen of England. Your oath now constitutes a criminal act under international law, including Section 25 of the Rome Statute of the International Criminal Court, which obligates all citizens to refrain from colluding with authorities engaged in or convicted of criminal acts.

b) Each of you is obligated therefore to refrain from aiding or abetting Elizabeth Windsor in evading justice or arrest, including by continuing to obey her orders or operating under her authority, since to do so will constitute an obstruction of justice and will make you subject to arrest.

6. Since no convicted felon can legitimately or legally serve as a head of state or a constituted authority, all existing legal and political authority in Great Britain as well as in Canada is dissolved as of Monday, February 25, 2013. Your Oath of Allegiance to Queen Elizabeth and the Crown of England is consequently nullified and abolished, along with your authority.

7. a) Great Britain has been rendered as a state without legitimate legal or political authority. It will remain so until a new and lawful Head of State can be established along with a Constitution democratically established by the people of England.

b) Until such constitutional authority is established, no existing British law or statute is enforceable, and any attempt by you or others to do so will constitute an act of illegal assault and fraud on the people of England.

8. Until a legitimate government is established in England, all of its citizens are urged to conduct themselves under the common law requirement of peaceable co-existence and equity in their communities, maintaining law and order. All citizens are required to police and govern themselves without reference to any existing authorities or laws, which are nullified, illegitimate and inoperative.

9. English citizens as wholly self-governing men and women are advised to establish local committees of correspondence to arrange a National Congress that will draft a new Constitution. This legal charter, ratified by a popular vote, will establish and maintain a new, Democratic Republic of England.

10. This Constitution must include a new legal framework by which the church organizations also convicted by the Court – the Vatican and the Roman Catholic church and the Church of England (Anglican) – can legitimately and lawfully operate in England, if such further operation is the will of the People. In accordance with the Verdict of the Court and lawful legitimacy, this new framework would require a Civil Constitution for the Clergy that nationalizes the property and wealth of the convicted church corporations, and regulates their church officials and employees as licensed public servants.

We are informing the world of these facts and of the new regime now operating in England.
